### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art fails to show a keypad with an integrally disposed impedance sensor. The state of the prior art teaches a keypad with a capacitive sensor. No obvious combination of references found would have one of ordinary skill in the art to make and use the invention as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Creighton h Smith at telephone number 308-2488.
